1. LICENSE AND RESTRICTIONS.

Subject to these Terms, PanGames grants you a non-exclusive, limited, revocable, non-transferable license to use the Services for your personal, non-commercial use. You may not: (a) modify, translate, reverse-engineer, reverse-compile or decompile, disassemble, create derivative works of, or use data gathering or extraction tools in connection with the Services; (b) reproduce, duplicate, copy, sell, resell, or otherwise exploit the Services, in whole or in part, for any purpose without PanGames's express written consent; (c) frame or utilize framing techniques to enclose any trademark, logo, or other proprietary information (including images, text, page layout, or form) without the express written consent of the respective owner; (d) use any data mining tools or automation tools such as spiders, crawlers, scripts, bots, or any automated method of recording information; (e) use any meta-tags or any other "hidden text" utilizing "PanGames," its affiliates, partners or artists without PanGames's express written permission; or (f) engage in any conduct in connection with the Services that may be considered illegal or tortious including, without limitation, "hacking" the Services, or infringing the intellectual property or other proprietary rights of PanGames or third-parties.

Additionally, where the Services are a downloadable game and/or application ("App"), PanGames grants you a non-exclusive, non-transferable, revocable, limited license to use the App for your personal, non-commercial use on authorized devices, unless otherwise

specified. The App may not be copied, resold, or sublicensed. These Terms apply to all versions and updates to the App, including, without limitation, free and paid versions.

The App may include measures to control access to the App (including age controls), prevent unauthorized copies, or otherwise attempt to prevent anyone from exceeding the limited rights and licenses granted under these Terms. You may not take any action to circumvent or defeat such security features. If you disable or otherwise tamper with the technical protection measures, your license to use the App or other Services shall be considered automatically revoked.

2. THIRD-PARTY PRODUCT, SERVICES AND LINKS.

PanGames may offer third-party products through the Services. You assume all risks and liabilities associated with the use of any such third-party products. Additionally, your rights and obligations regarding such products or services will be governed by the separate terms of use and privacy policies of the applicable third-party provider.

You may not have more than one Account or access the Services through more than one SNS at any given time. You are solely responsible for maintaining the confidentiality of your password and user name and for any activities that occur under your Account.

PanGames does not authorize use of automated methods to sign up for an Account, and PanGames reserves the right to immediately terminate your access to the Services or your Account if you breach these Terms or otherwise violate any applicable law, rule, or regulation in your jurisdiction.

By using the Services and providing us with your contact information, you explicitly consent to receive communications from us. If you would not like to receive such communications, please review PanGames's Privacy Policy and opt-out procedures.

4. IN-GAME VIRTUAL CURRENCY AND VIRTUAL ITEMS.

The Service may include an opportunity for you to earn, buy or otherwise obtain in-game currency ("Virtual Currency") to access virtual, in-game digital goods or items ("Virtual Items"). Methods of obtaining Virtual Currency are at PanGames's sole discretion. Virtual Currency and Virtual Items are not real currency, do not have monetary value, and may not be redeemed for legal currency, or items of value outside of the Services.

Virtual Currency and Virtual Items obtained via the Service are provided to you under a limited, personal, revocable, non-transferable, non-sublicenseable license to use within the Service. You have no property interest, right or title in or to any Virtual Currency or Virtual Items appearing or originating in the Service, and they may not be transferred or resold in any manner, including, without limitation, by means of any direct sale or auction service.

You agree that all sales of Virtual Currency and Virtual Items are final. No refunds will be given, except in PanGames's sole and absolute discretion. PanGames has no liability for hacking or loss of your Virtual Currency or Virtual Items or any goods or services obtained via Virtual Currency. PanGames has no obligation to, and will not, reimburse you for any Virtual Currency or Virtual Items obtained via Virtual Currency. PanGames reserves the right, in its sole discretion and without prior notification, to change or limit the price, availability, or order quantity of any Virtual Currency or Virtual Items and to refuse to provide you with any Virtual Currency or Virtual Items

Virtual Currency may have an expiration date. If your Virtual Currency or Virtual Items expire and you still have an active Account, PanGames may offer conversion of such Virtual Currency into Virtual Items for you in its sole discretion, however PanGames is under no obligation to do so. Virtual Currency and Virtual Items may be forfeited if: (a) your Account or access to the Services is terminated or suspended for any reason; (b) you breach these Terms; (c) PanGames discontinues availability of the Service; or (d) you disassociate from the Service.

5. ADVANCEMENTS, QUALITY AND DEFICIENCIES, ROLL-BACK AND BETA TESTING.

In exceptional cases such as within the framework of updates or error rectifications, it may be required to reset the App to an earlier status in order to prevent any greater damage (in these Terms and Conditions referred to as "Roll-back"). In this context, the App progress, App score, high scores and achievements/accomplishments, etc. are reset to a corresponding earlier status; any changes in the interim or any developments are lost. Any real money purchases you made in the period of time between the time when the Roll-Back is initiated and the time that the App system is rolled back to will not be refunded, but instead be given to you once more as part of the Roll-Back. Your further claims are excluded unless otherwise specified in these Terms and Conditions. PanGames is entitled but not obliged to grant its users a voluntary bonus e.g. in form of virtual currency or premium features. It is at PanGames discretion to grant such a bonus and it does not oblige PanGames to grant a bonus during future rollbacks to other users or the same users.

PanGames can offer you for the purpose of testing participation in or use of the App, its elements, Services and contents that are not smoothly running yet (in these Terms and Conditions referred to as «Beta»). Beta can include programming errors - even serious ones - known or unknown to PanGames. These may lead to the App's or your terminal to crash. Within the framework of Beta, PanGames may delete or add contents at any time among others to search for errors and to improve the game experience. Furthermore, it can reset game scores, install backups or create specific game scores. You are not entitled to the restoration of a specific game status. PanGames can extend, shorten any Beta in whole or in part at any time.
